### **Explanation of Easement and Covenant Registration Number CA8389659 to CA8389660**

These charges include Easements and Covenants. An Easement generally gives one landowner the right to use a neighbour's property for the purposes defined in the easement. Easements may also be used to provide municipalities access to run underground sewers, cable lines or other such items. A Covenant generally imposes either a negative or positive condition on the property in favour of a municipality or the province.

These are non-financial charges, meaning there is no money owing by the owner of the land to the charge holder. Also, they "run with the land", so will remain on title following the sale to a new purchaser/buyer. This means that the obligations will be binding on all future owners.

This is a "fire lane agreement". It allows the owner/developer of Lot 1 to use a part of Lot 2, as shown on the *attached* plan, to construct and maintain a fire lane (for emergency vehicle access). The Lot 1 will be responsible for installation and maintenance of the works, at its own expense. Lot 2 owner shall not do or allow any act to interfere with the works or reasonable exercise of these rights. The City of Maple Ridge has registered a covenant to ensure that the parties comply with the agreement and do not vary or terminate it without the City's consent.

5.3 The Lot 1 Owner further covenants and agrees with the City as a covenant pursuant to Section 219 of the *Land Title Act* that for so long as any portion of any building on Lot 1 is occupied for any commercial or multi-family residential purpose, the Lot 1 Owner shall take all necessary steps to fully comply with the provisions of this Agreement respecting the use and maintenance of the portion of the Fire Lane that is on the Lot 2 Right of Way Area.

5.4 The Lot 1 Owner, in respect of Lot 1, and the Lot 2 Owner, in respect of Lot 2, hereby release and forever discharge the City of and from any claim, cause of action, suit, demand, expenses,

**6. Miscellaneous**

- 6.1 The parties will at all times be reasonable in exercising their rights, forming their opinions and performing their duties and obligations hereunder.
- 6.2 This Agreement will be construed as running with and being a burden upon Lot 2, but no part of the fee of the soil thereof will pass to or be vested in the Lot 1 Owner under or by this Agreement and if Lot 2 is further subdivided then the right of way herein granted will continue to run with and bind each subdivided parcel thereof. This Agreement will be for the benefit of the Lot 1 Owner and every parcel into which Lot 1 may be subdivided, by strata plan or otherwise, and the parties hereby acknowledge and agree that each parcel may be so subdivided and that this Agreement will remain in full force and effect.
- 6.3 The covenants of the Lot 1 Owner and the Lot 2 Owner contained herein will be personal and binding upon each owner only during its respective ownership of any interest in the respective parcel but Lot 1 and Lot 2 will nevertheless be and remain at all times charged herewith, to the intent that upon the transfer of all interest of each owner in the respective Lot 1 or Lot 2, the owner of the respective Lot 1 or Lot 2 will be freed and discharged from the observance and performance thereafter of the covenants on its part to be observed and performed in respect of the respective Lot 1 or Lot 2, from the time of such transfer.
- 6.4 Waiver of any default by either party will not be deemed to be a waiver of any subsequent default by that party.
- 6.5 Whenever it is required or desired that either party serve a notice on the other, service will be deemed to be satisfactory and to have occurred:
- (a) on the date of service, if that party has been served personally; or

- (b) on the date received or on the sixth day after mailing in any Canadian post office, whichever is the earlier, if mailed by prepaid registered mail, so long as the notice is mailed to the party at the most recent address shown for the Lot 1 Owner, the Lot 2 Owner or on title to Lot 1 or Lot 2 in the records of the applicable Land Title Office for that party or to whatever address the parties from time to time in writing notify the other or otherwise agree to.

- 6.6 Whenever the singular or masculine is used in this Agreement, the same is deemed to include the plural or the feminine or the body politic or corporate as the context so requires.
- 6.7 The word “including”, when following any general statement, will be construed to refer to all other things that could reasonably fall within the scope of such general statement, whether or not non-limiting language (such as “without limitation” or “without limiting the generality of the foregoing”) is used with reference thereto.
- 6.8 This Agreement will enure to the benefit of and be binding on the parties hereto and their respective heirs, executors, administrators, successors and assigns notwithstanding any rule of law or equity to the contrary.
- 6.9 Nothing in this Agreement will be interpreted so as to restrict or prevent any owner from using its respective parcel in any manner which does not unreasonably interfere with the exercise by the other owner respectively of the right of way hereby granted.

**7. Severability**

- 7.1 If a provision of this Agreement is at any time unenforceable or invalid for any reason, it will be severable from the remainder of this Agreement and, in its application at that time, this Agreement will be construed as though such provision was not contained herein and the remainder will continue in full force and effect and be construed as if this Agreement had been executed without the invalid or unenforceable provision.

**8. Governing Law**

- 8.1 This Agreement is and will be deemed to have been made in British Columbia, and for all purposes will be governed exclusively by and construed and enforced in accordance with the laws prevailing in British Columbia and the rights and remedies of the parties will be determined in accordance with those laws.

**9. Binding Effect**

- 9.1 This Agreement will enure to the benefit of and be binding upon the respective legal representatives, successors and assigns of the parties.

**10. Entire Agreement**

- 10.1 This Agreement constitutes the entire agreement between the parties.

**11. Sale of Parcel**

- 11.1 Except for the sale of strata lots created by the deposit of a Strata Plan, not sell or transfer, directly or indirectly, any legal or beneficial interest in Lot 1 or Lot 2 unless, as a condition thereof and prior thereto, the Lot 1 Owner or the Lot 2 Owner causes the purchaser or transferee (including, without limitation, any Strata Corporation but excluding any individual strata lot purchaser) to enter into an assumption agreement pursuant to which the purchaser or transferee agrees to assume, be bound by and observe all of the obligations, positive or negative, of the Lot 1 Owner or Lot 2 Owner hereunder from and after the effective date of the sale or transfer. For greater certainty, if a parcel is subdivided by way of Strata Plan under the *Strata Property Act*, the owner of such parcel shall cause the Strata Corporation for such Strata Plan to assume the obligations of such owner under this Agreement;

**12. Further Assurances**

- 12.1 The parties hereto will do and cause to be done all things and execute or cause to be executed all documents and give such further assurances which may be necessary to give proper effect to the intent of this Agreement, including, without limitation, entering into a modification, partial surrender or replacement to this Agreement if a plan is prepared by a qualified land surveyor showing that portion of Lot 2 that is the Lot 1 Right of Way Area, all at the cost of the Lot 1 Owner.

**IN WITNESS WHEREOF** the parties acknowledge that this Agreement has been duly executed and delivered by the parties executing Part 1 of Form C attached to and forming part of this Agreement.
